PALOS VERDES ESTATES, CALIF.

DOES your Living Room window frame such a view as this.....where you might think you were gazing on the blue waters of the Mediterranean? This is truly America's counterpart of the French and Italian Riviera. Here is a view which will enlarge your vision and lift you above the petty cares of your daily round.

This is what Palos Verdes Estates offers you. The permanent beauty of its views is assured through the effective enforcement, by the Palos Verdes Homes Association and the Palos Verdes Art Jury, of its nationally recognized Protective Restrictions.

I am one of a series telling the colorful story of Palos Verdes Estates.
Keep me—for you will want all of us when the story is finished.
